WORK EXPERIENCE

Present
|
2022

Data Analyst

Agência Pública de Jornalismo Investigativo

- Create automation solutions for the data journalism workflow and assist in works that are data-driven
- Participated in the Map of Conflict, a project by Agência Pública, in partnership with the Pastoral Land Commission (CPT). Using original data analysis, it investigates instances of rural conflict in Brazil's Legal Amazon region in the last decade (2011-2020). This project was shortlisted at Claudio Weber Abramo Award for Data Journalism (2022) and Sigma Awards (2023), and won Design for Better World Award (2022) and was 2nd place at 39th Human Rights of Journalism Award
- Agência Nacional de Águas e Saneamento Award 2023 - Shortlisted
- Honorable mention at *39th Human Rights of Journalism Award* with podcast episode "Quem lucra com os rios que secam"

2022
|
2020

Data Journalism Intern

Agência Pública de Jornalismo Investigativo

- Participated in coverage recognized for the Roche Health Journalism Award and finalist reports of Sigma Awards (2021) and Claudio Weber Abramo Award from Data Journalism (2022).
- Amazon Rainforest Journalism Fund grantee, from Pulitzer Center (2021)

2019
|
2018

Vice-President Director

Jornalismo Júnior

- Headed the financial planning of the Jornalismo Junior, with activities like: cash flow update, and legal regulation
- Managed internal and external projects. One of them was "São Paulo sem Migué", a fact-checking project about the city of São Paulo
- Before the director role, wrote articles about sciences, sports, culture and politics as a news reporter

EDUCATION

2023
|
2018

Bachelor of Journalism

University of São Paulo (USP)

- Member of the Junior Enterprise of Journalism at ECA -USP (2018 - 2019)
- Monitor of the Summer Courses of the Institute of Mathematics and Statistics (IME) of USP "Python for Data Analysis" (2022) and "R for data analysis" (2023)
- Entrepreneurship and Innovation Scholarship (Agência USP de Inovação - AUSPIN, 2022). With this scholarship, I developed a research project for four months at University of Texas at Austin about what data journalism teaching is like in the USA
